Prologue Via the Web

As I hope most of you know by now, we have a marvelous new web site, thanks to the heroic efforts of a few. You can see it at <http://bostonprimetimers.org>. You can view current and past issues of the Prologue there, along with a lot of other content. Some of the site's content is accessible only with a password. If you did not receive the current password via email, we don't have your correct email address.

You can help our Boston Prime Timers club reduce expenses and hold the line on dues if you are willing to receive your Prologue exclusively via the web site. You will be able to read it sooner, since it becomes available as soon as finalized, and before the copies are printed for mailing. Other advantages are that the Prologue on the web is in color, any links in the text can be clicked without retyping, and you're saving trees.

In fact our biggest on-going expense, over \$400 per month, goes towards printing and mailing members their Prologue. We take in about \$7,500 per year from members' dues, and we pay out over \$4,800 per year for the Prologue.

Our other big and constant expense is the office rent, at \$3,000 per year. We have other sources of income and other expenses, but those are the big ones. You can see that reducing our expenses on the Prologue can have a big impact on keeping our finances stable.

If you are willing to change to receiving the Prologue exclusively via the web site, please check the box on the last sheet at the end, and give us your current email address for verification. You may also call this information into the office if you wish. If you try the web and find it doesn't work well for you, you can always change back to paper. **Thanks for your help!**
Steve Vorenberg, Treasurer

FROM THE BOARD

Former Presidents Message

Dick Bourbeau

Great news! The Web Design Group, Charlie Briggs, Steve Lord and I, to a lesser extent, have created a new website with a password protected Member Section. You will be able to find current information on our new site like, the current and past month *Prologues*, Member Roster, Chapter By-Laws, and Minutes of the last Board Meeting, Member Application, Tri-Fold, etc. You will also find photos posted from recent events.

In accordance with our By-Laws we held the Board Election at the February Member Meeting and all candidates won a seat on the Board. At the February Board Meeting the following members were elected to fill the Club's Director Positions:

President, Jim Buckley

Vice President, Dick Smith

Secretary, Carl Krause

Treasurer, Steve Vorenberg

I am looking forward to working with this new nine member Board with three new members, Mitch Drucker, Joe McGrath, and Edmond Moussally! I want to publicly thank Charlie Briggs for his 4 years of service and John Morrel for his two years of service. I truly appreciate their willingness to assist the board if called upon for historical or training purposes. Frank LaPiana has been working with Charlie to learn the Editor work and Charlie will continue to provide him help.

CURRENT VOLUNTEER OPPORTUNITIES

By Carl Krause

We have 301 members currently. Just 27 of those men are working to keep things going. **We currently have a critical need for Office Help volunteers.**

The current volunteer opportunities needed to keep our club running smoothly are:

***Program Committee**

***Membership Committee (greeters needed)**

***Refreshment Setup or Clean Up**

***Host for Potpourri Event**

***Singers for Prime Time Singers**

Think about what you're "good at," then call any board member (see list on back page) to fill any of the above slots. Training is available for the technical ones. All others can be filled by any willing, reasonably sane member who'd like to meet more people. Twenty-

seven of your fellow members are doing just that, and they tell us they have enjoyed their membership a great deal more than if they had remained a non-participant.

If we don't get volunteers, we will need to do some calling. If you get that call, consider saying YES.

Maurice Jandreau, long time former Boston Prime Timer and current President of the Rhode Island Prime Timers, is currently undergoing intensive medical treatment to be followed by major surgery on March 8 at the Brigham & Women's Hospital. The first of two operations will be to relocate an artery to allow access for the second operation. The second operation will occur a week later to treat the cancerous area. He would welcome your notes/cards of well wishes and prayers for a speedy recovery. Please take a moment of your time to support our fellow Prime Timer. He can be reached at his home that he shares with his supportive partner Ray Pankiewicz, also a former Boston Prime Timer, at 131 Nyes Lane, Acushnet, MA 02743-1959 or e-mail to mauricelj@comcast.net.

GEN SILENT INTERNATIONAL PREMIERE

GLBT FILM FESTIVAL MAY 2010 BOSTON

You have heard us mention the upcoming documentary Gen Silent many times, and perhaps you have even seen a preview of the film's trailer at one of our events. This project means a lot to us because it illustrates the stories of LGBT seniors, caregivers and advocates that we work with right here in Boston. And now, we are pleased to announce that the international premiere of the completed documentary Gen Silent, will take place this May at the Boston LGBT Film Festival. "Since the film shares the lives of LGBT people in the Boston area, we couldn't ask for a better place or a better event to premiere the film," says Gen Silent Producer Joseph Applebaum.

NATIONAL NEWS

2010 WESTERN REGIONAL GATHERING Los Vegas May 2 thru 6th

From Las Vegas Pete

For forms or more information go to our website - <http://www.LasVegasPrimeTimers.com>.

You would not believe how many requests I get regularly from 55+ gay men from all parts of the country asking if there are any gay friendly adult-

living apartment communities here in Las Vegas. Many of them want to move, live and retire in Las Vegas, but are not familiar enough with the city to know the good parts from the bad parts.

About three (3) years ago, so that we could recommend someplace to you, and felt that we were giving good advice, we put together a team (architects, realtors, etc.) and began doing research to find living communities in Las Vegas that we felt would fit the needs and wants for our 55+ gay friends around the World, and now I think we are ready for you.

We have found two (2) communities; both owned by the same people, that we want to introduce to you.

The Spring Valley & Pebble Destinations Communities have generously offered to give our Las Vegas Prime Timers Charity Fund \$500 for each referral from us that results in a resident to their community. So if you have a serious interest in checking out either of these communities, be sure and tell them that the Las Vegas Prime Timers sent you so we will get credit. Better yet, contact us first and we will gladly pick you up at the airport and show you the communities ourselves.

The Imperial Palace Hotel has some great room rates right now and spring has already started breaking out here, so come visit Las Vegas and find out what all of the shouting is about.

Click on or paste the below address to review

Destinations at Spring Valley.

If you have ever seriously thought about moving or retiring to Las Vegas, let us know and we will help you. We will also be having shuttle trips to the Destinations Communities during our Western Regional May Gathering.

We look forward to welcoming you to this very special event in honor of Woody, and feel sure that you will want to take part in this occasion. For full details, please email Robert Logan, secretary of the Austin chapter, at saltybear45@yahoo.com . The cost is \$20

Space limitations oblige us to limit attendance to 125, so please send your check early. If you would like to spend the weekend in Austin, we will be happy to show you our city, where the high temperature in late March averages around 75 F (low 53 F). Among Austin's many landmarks are our magnificent state capitol (it's the largest state capitol, needless to say), the State History Museum, the Blanton Art Museum, and the LadyBird Johnson National Wildflower Center (where the displays will be nearing their best in late March). Of course, Austin is also the Live Music Capital of the World, with plenty of musical entertainment for those who are fans. If there is interest, we will be happy to arrange a visit to a major Austin landmark on the afternoon of Saturday, March 27, and a Dining Out event that evening. Some Austin chapter members will be willing to host house guests for one or two nights (space is limited!). The Austin chapter is waiting to welcome you to this very special occasion!
